

First Presbyterian Child Development Center

Your Weekly News & Updates From FPCDC

Thank you for helping us make Open House a huge success. All of our children that moved to their new classes are settled and even though it is Monday, everything is going smoothly. We welcome all of our new Pre-K children to the new school year at First Presbyterian. Ms Lisa, Ms Heather, Ms Lynn and Ms Kelly have done an great job to make this an exciting and wondrous year in your child's life. The Pre-K year lets children grow while laying the foundation for future educational success. We want you to be involved as much as you would like to be.

As a note, we have 3 open spots in our Pre-K program. If you would like to share this good news, please ask the parents to contact the Child Development Center.

Remember FPCDC is Quality Rated by the state and is one of the best choices you can make for your child's learning enviroment.

All About Me

This is our learning theme for the next two weeks. This theme will address skills and concepts that are important in growing up such as: recognizing and learning our name, learning about emotions, and most of all knowing that

every one is unique and special. This unit will help children celebrate their individuality and learn about likenesses and differences. This unit builds those important beginning of the year skills and a sense of family in your classroom. Along with language arts, this thematic study integrates math, social studies, and health as it complements the child development frameworks.

Service Spotlight

This week we would like to recognize Ms Phyllis, our infant room lead teacher. Ms Phyllis has been at FPCDC for 12 years. She has loved and cared for many children through all those years. She has been the one that many parents have handed their special bundle over to, entrusting that the baby would be loved and nurtured. The idea of handing your baby over to somebody else may feel daunting at first. After all, can anybody look after your baby as well as you?

But FPCDC can assure you that Ms Phyllis does adore your baby and you will soon find out that a mutual love affair will exist between your child, Ms Phyllis and yourself! Thank you Ms Phyllis for all you do.
