

CHRISTMAS IS IN THE AIR AT FPCCDC

Stay Up-To-Date with First Presbyterian CDC

We are in the Christmas frame of mind here! Celebrating all the joys of Christmas and the reasons for the season bring such sweet memories for the children.

Our theme for the next two week is Countdown to Christmas.

The children are decorating the trees with ornaments they are making.

Last week we sent home a Christmas tree and would like for you to help your little one decorate it. They will all be displayed in the halls. Please take time to look at them and help your child find his or hers.

Also if you have an extra ornament we would like to hang ornaments from the current children enrolled. We are slowly replacing the ornaments from our former children.

Be sure to put your children name on the ornament.

Christmas waves a magic wand over this
world,
and behold, everything is softer and more
beautiful.

Norman Vincent Peale

December is in full swing!

I found a December Bucket List with suggestions to make your holidays extra-fun. Some of them might not be feasible in all parts of the country - building a snowman in Georgia at Christmas, for example, might be a bit of a challenge. Whatever you choose to cross off from the list, the main point of this type of bucket list is just to have a good time and make some memories with your children.

CDC REMINDERS

December 17 Pancake Breakfast for Pre-K

9:30 AM

December 18-January 4 Holiday Break for Pre-K

December 24- First Presbyterian Family and Children Christmas Eve Service

December 24-25 Christmas Break for FPCDC

December 31-January 1 New Years Eve Break for FPCDC

Your child's safety is a major concern to us.

Please keep your child with you as you enter

or leave the building. I know they are excited to see you and sometimes get

carried away with running, but it is important that they stay with you and do not

run down the hall. This applies to older children too! Thanks for helping us

monitor this.
